

Gentiva Consulting's management solutions help you maximize your resources and improve financial performance.

Gentiva provides experienced, professional interim agency management to ensure operational continuity during transitions to new leadership. Our interim managers are experts in their field and are supported by the Gentiva Consulting team. With Gentiva Consulting's interim solutions, you can trust that your organization will not lose momentum while you conduct an effective search to identify new leadership. We can even help you evaluate, select and transition your new leader.

Cash flow is critical to the success of any home health or hospice agency, and outsourcing your billing and collections functions to Gentiva Consulting is a proven way to accelerate cash flow and reduce bad debt. Gentiva Consulting employs a dedicated team of home health and hospice revenue cycle experts who understand the business of Medicare, Medicaid, Commercial and Private Pay billing and collections. We use best practice processes, a proven home health billing system and key performance metrics to accelerate cash flow, improve operational efficiencies and reduce days sales outstanding. Outsourcing your billing and collections functions to Gentiva Consulting is a flexible, practical and affordable solution that allows your agency to focus on its core business – better delivery of clinical services to your patients.

Here's what our clients are saying about Gentiva Consulting management solutions:

"As a small critical access hospital-based home health and hospice agency, we have limited resources and expertise. We turned to Gentiva Consulting for help. In just a few months, Gentiva implemented an efficient and effective revenue cycle process and now provide IT, billing and collections services, which has had a very positive impact on our agency's performance. Gentiva has far exceeded my expectations, and I look forward to our agency's growth and ability to provide excellent care for the patients we serve under the direction and guidance of Gentiva Consulting."
